is the only article entirely harmless which
restores gray hair to its natural color and youthful appearance. NATTANS' CRYSTAL DISCOVERY

contains no poisonous substances, no sugar-oflend, sulphur or nitrate of silver.
NATTANS' CRYSTAL DISCOVERY restores gray hair in from three to ten days in every instance. We warrant it.
NATTANS' CRYSTAL DISCOVERY supplies the hair with new vitality, and hence

stops its falling out.
NATTANS' CRYSTAL DISCOVERY is perfectly cleanly; it does not soil the finger nails, the finest fabric or anything else. Jewelry, which has been blackened by the various sul-phur preparations, it not only does not dirty, but if applied will beautifully cleanse. Try it.
NATTANS' CRYSTAL DISCOVERY
makes dry and brash hair moist and glossy'
without, however, making it sticky, as other dirty articles of this kind do. Pomades and oils may be used, if desired, with this prepara-

tion, without impairing its usefulness.
NATTANS' CRYSTAL DISCOVERY restores hair to its natural color in a few days.
NATTANS' CRYSTAL DISCOVERY has, in a number of instances, produced a new growth of hair; though it is not claimed that it

willi be successful in every case.

NATTANS' CRYSTAL DISCOVERY is put up in large bottles, containing over half as much more as any other in the market, while its effects are more prompt and positive; therefore, it is certainly the most economical article in use. In short, there are a thousand reasons why you should use it in preference to any other-reasons which have induced the masses who use hair re-storers to use it—and chief among which is the storers to use it—and chief among which is the perfect safety with which you can apply it. Try it, if you have not done so already, and though you may have used something before, or for years even, yet we can assure you that after giving CRYSTAL DISCOVERY a trial, you will be discard your previous favority. If your him to get it for you. Price one dollar.
